Attention Legal Dept.:

Please find attached a copy of a Petition and associated Statement filed on September 25, 1998, which was granted on October 19, 1998 under 37 C.F.R. § 1.425, concerning the above referenced international patent application. As shown in the enclosed Statement, Mr. Dameme, a co-inventor, was an employee of Sensormatic France S.A., a subsidiary of

Sensormatic France S.A. Mr. Dameme, as particularly shown in exhibit G of the Statement, was attempting to obtain a global distribution contract and a financial package for his signature associated with prosecution of the patent, and has consistently refused to sign

Mr. Dameme's last known address can be found on the copy of the Request form in exhibit E of the attached Statement.

Please charge the Petition fee under 37 C.F.R. § 1.17(i) and any other fees associated with this Petition, to our Deposit Account 19-1346.

Sensormatic Electronics Corporation and Mr. Gouelibo appointing the undersigned as their agent in connection with this International Application.

6. There was filed contemporaneously with this International Application an Assignment by which Mr. Gouelibo assigned to Sensormatic Electronics Corporation his rights in this International Application.

7. This International Application was signed by the undersigned as agent for applicants Sensormatic Electronics Corporation and Mr. Gouelibo.

8. Upon information and belief, Mr. Dameme was an employee of Sensormatic France S.A., a subsidiary of Sensormatic Electronics Corporation, at the time of filing of the above-referenced French patent application.

9. Sensormatic France S.A. was named as applicant, and Messrs. Gouelibo and Dameme were named as inventors, in the above-referenced French patent application.

10. Upon information and belief, Mr. Dameme is no longer employed by Sensormatic France S.A.

11. Upon information and belief, at least once prior to March 24, 1998 Mr. Dameme was requested by Sensormatic France S.A. to sign the Power of Attorney filed simultaneously with this International Application, and Mr. Dameme refused to sign the Power of Attorney.

12. On May 15, 1998, the undersigned sent to Mr. Dameme a letter of which a copy is annexed hereto as Exhibit A and a Power

13. On May 22, 1998, the undersigned received from Mr. Dameme a facsimile message of which a copy is attached hereto as Exhibit C; in the facsimile message Mr. Dameme acknowledged receipt of the letter dated May 15, 1998 and refused to sign the Power of Attorney sent therewith, pending resolution of matters in dispute between Mr. Dameme and Sensormatic France S.A.

14. On May 26, 1998, the undersigned filed a Statement which showed the above facts and requested that this International Application be deemed to have been filed by Mr. Gouelibo on behalf of himself and Mr. Dameme, pursuant to Rule 425(a).

15. On August 27, 1998, the USPTO issued a Decision which treated the Statement filed on May 26, 1998 as a petition under Rule 425 and dismissed the petition without prejudice. The Decision pointed out that Rule 425 was amended on December 1, 1997, and the Decision stated that the Statement of May 26, 1998, failed to explain the lack of Mr. Dameme's signature on the Request (PCT Form RO/101).

16. On September 1, 1998, the undersigned sent to Mr. Dameme a letter of which a copy is annexed hereto as Exhibit D and a Request Form (Form PCT/RO/101) of which a copy is annexed hereto as Exhibit E; in the September 1, 1998, letter the undersigned requested that Mr. Dameme sign and return the Request

form which accompanied the letter.

17. On September 15, 1998, the undersigned sent to Mr. Dameme a letter of which a copy is annexed hereto as Exhibit F; in the September 15, 1998, letter the undersigned noted that Mr. Dameme had not responded to the September 1 letter and the undersigned asked Mr. Dameme to indicate whether Mr. Dameme was willing to sign the Request form.

18. On September 21, 1998, the undersigned received from Mr. Dameme a facsimile message of which a copy is attached hereto as Exhibit G; in the September 21, 1998 facsimile message Mr. Dameme acknowledged receipt of the letters dated September 1 and 15, 1998 and refused to sign the Request form, pending resolution of matters in dispute between Mr. Dameme and Sensormatic France S.A.

19. The undersigned respectfully shows, on the basis of the above-recited facts, that Mr. Dameme still refuses to join in this International Application, and that Mr. Dameme has refused to sign the Request. It is requested that the present International Application now be accepted without Mr. Dameme's signature, pursuant to Rules 4.15(b) and 425.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

Message

Dear Sir,

I duly received your letters dated May 13 th and 15 th, 1998 concerning my following patents :

- International Patent Application PCT/US 98 /05909, Semi Automatic apparatus for affixing an Anti-theft device to an article.
- Bottle cover with integrated EAS marker, your file C4-378-US.

I hereby confirm you again, my agreement on the principle of signature of these documents.

However, the Sensormatic France's attitude has been so aggressive for the last six months (shown on their letter dated March 9th 1998), that they refuse to honour their distribution contrat proposal as well as deliveries for items ordered by me.

As, in such a context, I have no guarantee of future favorable attitude from Sensormatic, I consequently want a global contrat including :

- A distribution contrat (Optical stores).
- A financial package for the signature of patent

Yours Sincerely.

PCT

RE: Your letter dated September 1st, and 15 th 1998

Dear Mr Levin,

I duly received your letters and Request form concerning my following patent :

International Patent Application PCT/US 98 /05909, Semi Automatic apparatus for affixing an anti-theft device to an article.

But I do not understand why you send them. My last fax was clear :

Quote

As, in such a context, I have no guarantee of future favorable attitude from Sensomatic, I consequently want a global contract including :

- A distribution contract (Optical stores) and libraries.
- A financial package for the signature of the patent

Others questions : why not USA ?, as major inventor why I am not in second place?

Yours Sincerely.

Alain DAMEME
